## SHASTRI OVERSEAS

**An ISO 9001 : 2015 certified company**  
**PREMIUM HARDWARE COLLECTION**

### PREMIUM BRASS SOLUTIONS SINCE 1996

Based in Jamnagar, India—the brass capital of Asia—Shastri Brass Hardware was started with a clear goal: to mix traditional skills with modern technology. Over the last 30 years, our family business has grown from a small local workshop into a trusted global manufacturer and exporter of high-quality hardware.

### EXPERIENCE

We are proud of our long history in brass manufacturing. By combining traditional craftsmanship with the latest machinery, we make high-quality products that meet international standards. At Shastri Brass Hardware, excellent quality is at the heart of everything we do.

### CUSTOM DESIGNS & INNOVATION

Everything we do is focused on what our customers need. Our team can create fully customized brass products based on your exact drawings and requirements. Whether you need a large order for international shipping or a small, specialized local project, we use our engineering experience to bring your ideas to life.

### Available Finishes

We have wide range of finishes that make products attractive, unique and modern looks.

DESIGN TO INSPIRE  
CRAFTED TO PERFECTION

"At Shastri Brass Hardware, we believe that true innovation lies in creating solutions that inspire others toward excellence and leave an enduring mark for generations to come. With each product uniquely designed and meticulously finished, we remain dedicated to preserving our heritage of quality. For years, we have served as a trusted symbol of resilience and superior design, offering an unparalleled level of craftsmanship."

# LUXURY BRASS DOOR HINGES

## LUXURY BRASS HINGES

ELEVATE EVERY DETAIL  
WITH TIMELESS ELEGANCE

"India is recognized globally as a manufacturing powerhouse across a multitude of industries. Centered at the heart of this industrial legacy is Jamnagar, Gujarat—widely celebrated as Asia's premier brass hub. Embracing this rich heritage, every single one of our products is proudly conceptualized, designed, and manufactured in India."
