PREMIUM HARDWARE COLLECTION

PREMIUM BRASS SOLUTIONS SINCE 2000

Based in Jamnagar, India—the brass capital of Asia—Shastri Brass Hardware was started with a clear goal: to mix traditional skills with modern technology. Over the last 30 years, our family business has grown from a small local workshop into a trusted global manufacturer and exporter of high-quality hardware.

EXPERIENCE

We are proud of our long history in brass manufacturing. By combining traditional craftsmanship with the latest machinery, we make high-quality products that meet international standards. At Shastri Brass Hardware, excellent quality is at the heart of everything we do.

CUSTOM DESIGNS & INNOVATION

Everything we do is focused on what our customers need. Our team can create fully customized brass products based on your exact drawings and requirements. Whether you need a large order for international shipping or a small, specialized local project, we use our engineering experience to bring your ideas to life.

Available Finishes

We have wide range of finishes that make products attractive, unique and modern looks.

Design Innovation

In every industry, pioneering new design concepts presents a complex challenge that demands unwavering commitment and professional resilience. Driven by a passion for excellence, we continuously push boundaries to elevate environments, striving to achieve a flawless balance between refined elegance and practical utility.

We are dedicated to integrating continuous, strategic, and transformative advancements throughout our operational workflows, product designs, and technological frameworks. Our strategic focus remains on delivering high-impact innovations that yield exceptional aesthetic value and functional performance across all spaces.

Design

Our Design Philosophy

Every curated piece in our collection carries a profound sense of purpose, inspired by core values that define our craftsmanship. Beyond mere hardware, we strive to evoke an atmosphere of connection, comfort, and warmth—transforming spaces into places our customers can truly call home. This is the ultimate design philosophy and essence of Shastri Brass Hardware."
